**Crossroads at Park Place** in Houston, Texas, serves the southeast Houston community in many ways. Our most important ministry is to serve the homeless population with four nutritious meals per week at St. Paul's Episcopal Church. This year, we have served more than **20,000 meals!**

We also distribute Houston Food Bank groceries to about **225 families each week**. In addition, a mobile health clinic visits our site, and a bank visits to help our clients with finances.
